Again, welcome to portal Peta Malaysia, we have all the maps from Malaysia for you!

A centre point where you can find almost anywhere in Malaysia, Peta Malaysia Portal is a one-stop portal where you can find any maps in the country like Kuala Lumpur, Johor Bahru, Kuantan, Kota Kinabalu, Penang, Malacca, Langkawi and more. Catered to those who would look for a resource of directions which includes road names, directions, attractions in the areas and other elements in Malaysia, Peta Malaysia Portal is an ideal portal that provides you concise and complete information of this kind. Maps are the best way to help you find directions and to help you get around when you are in a specific area, therefore Peta Malaysia Portal has compiled and kept a record of all the maps available in Malaysia. Each of these maps are connected to a network of resources where you will be able to find more information like shops and hobbies, food and beverages, hotels and such of that particular area.

Essentially, Map Malaysia Portal provides maps which can then be translated into direction and what to look out for. These are very useful information for travellers and visitors who are planning trips to certain areas in Malaysia. Ranging from national level to state to districts and towns and cities, Peta Malaysia Portal provides all types of maps with highlights in these areas. Maps at Map Malaysia Portal can be used by the discretion of the visitors and are downloadable to their cell phones or pdas. Otherwise you can also choose to print specific street maps or store them in your computer for an affordable fee.

How to read street maps.

All maps around the world follow a specific guideline and ways to read them. Terms like scales, ratios and geographical terms are outlined and explained in this section for you so that you will not encounter any problems reading them. Each map are customised and catered to suit the needs of the readers in terms of scale and geographical areas.

Peta Malaysia Portal is generally divided into a few sections that are beneficial to each particular visitor. Each map includes various categories like food, accommodation, attractions and others depending on the speciality of that particular area.

For business owners

Business owners can also make use of Peta Malaysia/Malaysia Map Portal in providing details of your business details. You can choose to advertise your business with us or just provide information of your business in our business directories. By advertising with us, you will be able to gain exposure where images of your outlet and profiles are provided for and imprinted at the Malaysia map face. In doing so, you will be sure to increase exposure as viewers are constantly looking at the Malaysia map. You will have snapshots of your outlet enlarged at the map as they click or view them. Therefore it will always leave an everlasting impression with the viewers.
